

TAREK N. FOUAD

Cairo, Egypt | +20 115 330 8876 | tarek.fouad.work@example.com

SUMMARY

Fresh graduate. I have done a bit of everything and I am not completely sure what I want to specialise in yet, but I like building things that people actually open.

EDUCATION

BSc Computer Science - Modern Academy, Cairo, 2026. GPA 3.1.

PROJECTS

Graduation project - hospital appointment system

React front-end, Node/Express API, MySQL. I did the front-end and half the API.

Kaggle Titanic and House Prices

Followed two tutorials, got a reasonable score, understood maybe 60% of it.

Instagram clone

Flutter. Never finished the messaging part.

Small Arabic sentiment classifier

scikit-learn, TF-IDF and logistic regression on a dataset from a course.

SKILLS

JavaScript, React, Node.js, Python, pandas, scikit-learn, Flutter, Dart, MySQL, HTML, CSS, Git

OTHER

Volunteered as a session organiser for the university IEEE branch.

Arabic (native), English (good)
